

# GEELONG UNITED BASKETBALL

## FORFEITS & WITHDRAWALS

A forfeit occurs when your team doesn't have enough players to take the court. If you know in advance that your team won't be able to play due to lack of numbers, please let us know ASAP.

When a forfeit is called, GUB will contact the opposing team, the referees and customer service staff to advise them on your behalf.

If you provide us with less than five (5) days' notice, we will pass on a cost recovery fee. This figure is based on what GUB would collect for 4-5 players per team.

- Junior teams - \$106
- Senior Teams - \$127.20

There is no cost recovery with more than five (5) days notice

We understand circumstances change and your might have to withdraw from a GUB competition.

However, to cover the administration of removing your team after a fixture is generated a cost recovery free of \$106 will be passed on. Your team entry fee will be retained by GUB.
