Geelong United Basketball Vision

- To be recognised as the leading regional basketball association in Australia.
- To create a framework for clubs, athletes, coaches, officials, and volunteers to contribute and grow.
- To create pathways for participation and excellence in basketball.
- Showcase the health, lifestyle, and social benefits of basketball.

Geelong United Basketball Commitment

With selection to the GUB VJBL program, parents and players should recognise that participation is a major commitment of time, effort, and money, and that there is no guarantee of significant court time.

VJBL basketball is only for players (and their families) with a serious intention to achieve and to contribute to team performance even when this involves some sacrifices to the individual. It is not for players wishing to necessarily play with other players of their choice or a specific team or coach.

All players wanting to be considered for GUB VJBL selection must register via PlayHQ and attend tryouts. ([Click here to register for trials](#))

Whilst we require a large commitment by players and parents alike, we believe basketball offers many rewards, which may include strong friendships that will be forged during the years that children are involved with GUB.

Key Expectations

- It is mandatory for all GUB VJBL players to participate in our Community Competition. If you are new to GUB it is expected that you will take the appropriate steps to contact and register with one of our community clubs. You can find the contact details for all 18 of community clubs on the GUB website.
- All players must be always financial with the GUB VJBL program. If you become unfinancial you will be ineligible to participate.
- GUB players are required to train and play, irrespective of any other commitments. You are **choosing** to be a part of the GUB VJBL pathway, and thus **you are committing** to becoming the best basketballer that you can be.
- VJBL training will be held on Sundays. Some teams may opt for an optional additional session during the week.
- Home and away games are played across Victoria. Travelling to away games is a requirement and is a commitment for those choosing to be a part of the GUB VJBL program. Players and parents are required to make their own way to games.
- The VJBL season runs from November 2023 to September 2024, with breaks for school holidays.
- All players and parents must agree to and abide by the GUB and Basketball Victoria codes of conduct,
- Any player who remains unfinancial from season 2022/23 will be deemed ineligible to be placed in a 2023/24 team until such time as outstanding monies are paid.
