FILL-INS

**Teams are permitted a fill in -
but only if they only meet the following criteria**

ALL FILL-INS MUST BE REGISTERED

All players need to be insured before taking the court.

If a player is unsure if they want to commit to a season, they can apply for a refund if they played less than three (3) games.

Unregistered player/s will result in the loss of points for that team.

FILL-INS NEED TO COME FROM A LOWER DIVISION OR AGE GROUP

To make it fair, fill-ins can't come from an older age group or a team in a higher division of your competition.

If you are found to play an ineligible fill-in, the game will be treated as a walkover and your team's ladder points won't be allocated..

Unsure if your fill-in is eligible?
Please contact GUB or your club for assistance.
