

GEELONG UNITED BASKETBALL

FORFEITS & WITHDRAWALS

What is a forfeit ?

A forfeit occurs when your team doesn't have enough players to take the court. If you know in advance that your team won't be able to play, due to lack of numbers, please contact your club or if you are a social/school team please contact us ASAP.

What happens if we call a forfeit?

When a forfeit is called, GUB will contact your opposition, the referees and the customer service staff to advise them on your behalf.

If you provide us with less than five (5) days notice, we will pass on a cost recovery fee. This figure is based on what GUB would collect for 4-5 players, per team.

Juniors - \$116.00
Seniors - \$139.20

There is no cost recovery fee if you provide us with five (5) or more days notice.

Withdrawing

We understand that sometimes there are some circumstances that change and you might have to withdraw from the community competition completely.

To cover the cost of the administration of removing your team after a fixtures is generated a cost recovery fee of \$116.00 is passed on. Your team entry fee isn't refundable.
