- Encourage Appreciation of officials
- Be accountable for their member's behaviour
- Educate all members of the rules of basketball

- Focus on their own roles
- Be Positions leaders of our basketball community

SPECTATORS RESPONSIBILITIES

- Remember this is community sport
- Be aware of the zero-tolerance policy
- Be supportive and encouraging of effort and enjoyment
- Hold everyone to high behavioural standards

When the desired environment is not created, everyone is responsible to:

- Adhere to the zero-tolerance policy

- If abuse towards a referee occurs within a game
 - The game is stopped by either referee or staff member
 - Team or individual foul called (Includes on players, coaches, officials, spectators)
 - If behaviour continues a tech foul is called
 - As per normal, a 2nd tech foul will lead to ejection from stadium

GAME RULES

- In all divisions, the Competition Manager may from time to time allow 'modified rules' to be played for the betterment of basketball and the Geelong United Basketball.
- Ideally, those 'modified By Laws' would be put in place at the start of each season, however, this may not be able to be foreseen and therefore have to be included mid-season.
- The 'modified By Laws' may include: a Mercy Rule, capped points per players, No Zone rules, shortened Free Throw line, equal game time for all players, no keeping scores, Representative Player limitations on Teams.

TEAM ENTRIES

Clubs will enter teams in the competition once the club has:

- Completed the online entry form with Geelong United Basketball by the due date.
- Prescribed fee to be paid within 30 days of invoice date.
- Teams must have all player names entered into their respective teams before the first game of the season; this is done online through PlayHQ at the time of entry.

Teams will be accepted from Member Clubs in all club based leagues and may enter into other leagues only with written consent from GUB. Any Club teams that are entered into social competitions, will be treated as a social team, and expected to abide By Laws that are relevant to social competitions.

Social teams will be entered in the competition once the team has:

- Completed the online entry form with Geelong United Basketball by the due date.
- Made online payment upon completion of the online entry form.
- Teams must have all player names allocated to their team before the first game of the season; This is solely completed online by the participant themselves. Players will need to register using the unique link given to them from their club/teams contact at the beginning of the season.

Social teams will be accepted in all social leagues only.

The Association reserves the right to grade teams into such divisions as are necessary, taking into account the number of entries in a division, the number of byes created on a given competition day, the relative strength of teams, the number of teams that one club has in a division and the past performance of a team in a division. Clubs will have the right of appeal, particularly if the change of grade results in a change of night of play.

GRADING PROCESS

Each season rounds 1-5 will be released one week at a time, based on entries. Between rounds 4 and 5 clubs can nominate any of their teams they wish to be considered for regrading. In addition, before the commencement of Round 6 GUB competition staff members will review all remaining grades and may nominate further teams they believe should be considered for regrading. The required and agreed on changes will be implemented by Round 6.

Allocation of points for teams when re-graded:

If a team is regraded due to a decision made in the grading process the following will apply to the regraded team in the new grade.

- All games played prior to the regrade will be treated as a draw and the team allocated 2 points for each game.
- All games played prior to the regrade will be recorded as 20-20.

PLAYER ELIGIBILITY

- To be eligible to play in a Geelong United Basketball final of a particular division, a player must firstly hold a Basketball Victoria primary affiliation and current GUB affiliation. A player must also compete (i.e. be on the bench in uniform and pay for the game) in at least one half of the scheduled rounds in the fixture of that division (This includes grading games). In the case of the number of rounds not being divisible by two, the next higher number divisible by two will be the required number of matches (e.g. the required number of matches for 19 scheduled rounds would be 10). For clarity if a player competes in multiple divisions within their age level in a single round, only one of the scheduled games will be counted towards eligibility.
- Byes do not count as a qualifying game.
- In the event of a notified walkover, all players named on the score sheet of the non-forfeiting team in either their previous match, or their following match, shall be marked "in play" for the purpose of finals eligibility.
- In the event of an un-notified walkover all players of the team receiving the walkover who are present and named on the score sheet will be marked "in play" for the purposes of finals eligibility. A refund of playing fees will be given on presentation of tickets to the Venue Supervisor on the day/night of the walkover.
-

REPLACEMENT PLAYERS

Clubs have the opportunity to play players who have not qualified in a particular final as a replacement player under the following circumstances;

- The replacement player must have qualified for the club for finals in another lower age group or division.
- They must be replacing a player who has qualified for finals who is unavailable to play.
- A player is only eligible to play in the same grade they have qualified in or higher regardless of the age group.
- Replacement players must be put in writing to the Competition Manager and agreed upon before this player takes the court.

If a replacement player does not meet the above criteria, the club may then apply for an exemption. Applications for exemption must be made in writing to Geelong United Basketball from the club delegate, addressing the above three points a minimum of seven (7) days prior to the first day of finals.

MEDICAL EXEMPTIONS - FINALS

Finals exemption - Application for medical exemption must be submitted in writing to the Competitions Manager with medical certificates required as accompanying documentation with the letter requesting special consideration for exemption to finals qualification. The medical certificate may be accepted as evidence of the injury/illness.

For any exemption to be considered the following criteria must be adhered to:

- The player must have a long term injury (four weeks or more)
- The player must be competing in the competition regularly before the injury
- The application and medical certificate must be submitted a minimum of seven (7) days prior to the first day of finals

Each application will be considered on a case by case basis only. Geelong United Basketball does not guarantee it will approve any requests for exemption to the eligibility criteria and all steps to qualify must be taken

U10-U14's' & ALL SCHOOL COMPETITIONS - ALL DIVISIONS

DEFENCE

- When a team reaches a 20 point lead the opposition must drop back to the 3-point line to commence playing defence.

NO ZONE RULE

- A restriction to a team's defence only occurs from the centreline, where teams must apply Man to Man principles.

Interpretation of Team Responsibilities Definition - Illegal Zone:

"Any defence played in the half court which incorporates any player consistently guarding an area of the court and not guarding a specific opponent."

Beware of Static Offences.

There may be occasions when a team employs an offence which is devoid of cuts apart from perhaps V-cuts to enable players to get open and as a result the defence may appear to be in a zone.

For instance, it is quite feasible that a coach may employ a 4 out, 1 in set:

- Keeping his post man static on one block (looking to seal as the ball is reversed)
- Perimeter players remaining in areas (focussing on looking for opportunities from ball reversal to set up their man and rely on dribble penetration to create scoring opportunities.
- As a consequence of the offensive set the defence may well look similar to a two-three zone.

Violations of the "no zone" rule will generally fall within one of the following categories:

- One or more players were not in an acceptable man to man defensive position in relation to the player they are guarding and the player with the ball;

- A cutter moved all the way through the key and was not defended using acceptable man to man defensive techniques (for example, “bumping” the cutter, following the cutter or switching);
- Following a trapping or help and recover situation the team made no attempt to re-establish man to man defensive positioning;
- The team zone pressed and did not assume man to man defensive positioning once the ball had been advanced into the quarter court.

PENALTIES FOR ZONE DEFENCE

If the other team or a referee is concerned about a team playing a zone, they must immediately get the attention of the Referee Supervisor and ask for them to watch and make a decision, then they must speak to the coach during the game, the Referee supervisor may speak to the coach if they are concerned that the team (or any player) is not playing to acceptable man to man defensive principles. It is preferable that the Referee Supervisor speak to the coach prior to any penalty being imposed, however the deliberate and pre-meditated use of a zone defence at a critical time in a game may be penalized immediately.

Technical Foul

If the Referee Supervisor believes a violation has occurred (i.e. a team or player is not playing acceptable man to man defensive principles) they will ask the Referee to call at the next dead ball, a Technical Foul –on the head coach of the offending team.

Second Technical Foul – disqualification of head coach

If the same team incurs a second violation, a technical foul is called and the head coach will be disqualified from the game.

Importantly, the referee does not have to determine whether or not a violation occurred. That decision rests solely with the Referee Supervisor.

EXCEPTIONS TO NO ZONE RULE

No zone rule does not apply if defending team has less than five (5) players on the court.

Please note for U16 and U18 –

No restrictions on defence with the exception that if a team has a 30 point or more lead is not permitted to extend its defence beyond half-court.

SCORING

- Each team must supply a person to fulfil the role of score table official, in social leagues this can be a player. Teams that fail to supply a scorer after being directed to do so will forfeit the match.

- Each team **MUST** supply competent scorers for their own game. Failure to supply a scorer will incur a 10-point penalty. The scorer must remain for the entirety of the game. If for any reason a team is unable to provide a scorer for any portion of the game, then the 10 points shall be applied by the referee.
- No scorer points start are to be awarded to teams BEFORE the commencement of the game. In the event of an error and the points are not put on, the scoresheet may be amended at the first break in play following the discovery of the error. If the infraction occurs during the game, the scoresheet shall be amended at the first break in play following the infraction.
- **Note:** To meet this By-law a team should preferably have an independent person [i.e.: a non-player (this does not mean a coach)], to operate the time clock or control the scoresheet. If no other persons are present, then it can be mutually agreed that a player or a coach may operate the time clock or control the scoresheet.
- Scorers are considered to be officials for the duration of the match and as such shall not coach or barrack while on the score bench. Scorers will be required to assist the referees in controlling the match when asked to do so by the referee in charge.

SENIOR CHAMPIONSHIP DIVISION POINTS SCORE SYSTEM

Points cap for all Senior Championship Division Teams is based on the following principles:

- All teams will have a points cap of 43 Points
- Each player will have a points rating
- The maximum player points rating (PPR) will be 8
- The minimum player points rating will be 3.5

Only the top 9 players (by PPR) in each team will count towards the cap of 43 points.

PPR VALUATIONS

Point Value	Attached to
8 points	Any player transferring to a new club within the GUB structure in their first year for that club.
7 Points	The above player in their second year with their new club
6 Points	The above player in their third year with their new club
5 Points	<p>A new player to Geelong, or a player who has not previously played in a Geelong United Basketball competition and did not play as a junior in the GUB competition. This value is diminished after three seasons with the club- they will obtain a five point rating for their duration with that club. Should they change clubs in their second season they become an 8 point player.</p> <p>or</p> <p>A previous 8 point player who has now played 3 full seasons with their club and is now entering their fourth season. This value is never diminished - they retain a five point rating for their duration with that club. Should they again change clubs they again move to an 8 point score...unless they move to their previous junior club.</p> <p>or</p> <p>A player who has previously played for any Geelong United Basketball club as a junior or senior and who is re-joining the competition. For the sake of clarity, if a player is not subject to the requirement of being cleared from their previous GUB club then they meet this criteria.</p>
4 Points	A senior player who as a junior or senior has played with this club for at least three seasons and who at no point has cleared to their current club from another GUB club.

3.5 Points	A current club junior, who has played more than 3 full seasons with this club, who is playing “up” in Division 1. For this purpose any player eligible for Under 18 competition will be deemed to be a junior playing “up”.
------------	---

Definition: A season is a winter competition, involving 15 or more games, and which the individual player has played at least 12 games.

HOW DOES GUB ADMINISTER THIS RATING?

- The team submits their team list at least 48 hours prior to their first game
- They rate their team based on their knowledge of points
- GUB confirms points system based on competition database
- Only the top nine players by PPR are rated. So a team may have 11 players listed, all of whom are rated as a “4” and therefore their team rating is $9 \times 4 = 36$.
- GUB confirms starting rosters for all teams and publicizes 24 hours before opening round tip-off

CHANGES TO THE SUBMITTED LIST OF PLAYERS

A club may change their list of players, and replace them with players of a like PPR. Should a change to a list mean the top nine rated players now exceeds 43 points, then the change shall not be allowed and the new player shall not have the registration accepted.

Likewise a club can change their list and introduce a new player with a higher PPR, providing that the overall score does not exceed 43 points.

For these purposes a club may advise GUB that they are de-registering a player for the remainder of the season. This is envisaged mostly to be in the possible case of long term injury or a player moving away from the area.

A club may not play a player in Senior Championship Division competition at any point in the season without the prior notification to and acceptance by the GUB office.

POINTS CAP EXEMPTIONS

Geelong United Basketball has the power to grant a points cap exception in the circumstance where a club wishes to enter a team in Senior Championship Division either for the first time or after a significant break from competing in Senior Championship Division Competition.

A significant break would mean 3 or more Geelong United Basketball championship seasons.

The exception will be granted in the form of a points extension.

A new club could be granted an extension of up to 10 points in their first year of competition, reducing to 7 points in their second year and 4 points in their third year. Such an extension cannot be granted hypothetically, or in advance, but will be granted only on the firm submission of a team list, against which GUB can assess that the inclusion of the new team is not as a result of significant player movement from another GUB Senior Championship Division team.

OTHER CIRCUMSTANCES

Geelong United Basketball has the capacity to grant further exceptions to the points cap for a particular team, where circumstances would otherwise see significant diminution in the playing strength of the competition.

These circumstances possibly foreseen are the opportunity for a combined club team to be entered to create a stronger and better competition, or misadventure befalling a team/club, which might otherwise see the loss of that teams players to the competition.

In these cases exceptions are granted by extending a teams points cap, rather than reducing or changing an individual players PPR.

JUNIOR POINTS SYSTEM

OVERVIEW

Objective:

Management of the representative players playing in the junior Geelong United Basketball Competitions, to discourage significant poaching as a result or representation and to deliver more even competitions throughout the GUB Junior Competition.

Reach:

This policy impacts only Junior Competitions at Geelong United Basketball (U18 and below).

Mechanism:

GUB will implement a points cap for all domestic teams, based on the following:

- Representative players will be given a player points rating
- Points cap is calculated by club per Year of Birth
- The points cap per club per Year of Birth will be 8 points
- The points cap is only activated and enforced if there are non-home grown players contributing to the points tally within the club. That is if a player is seeking an inbound clearance into a club
- A player on loan activates the points cap and attracts an additional one (1) penalty point
- A player who holds a points rating is only eligible to apply for a clearance at one point during the year, that is at the end of Summer Season round games and prior to the commencement of the following Winter season

PLAYER POINTS RATING

- A player's points rating is defined by the highest level of Basketball they play currently and/or the previous season
Junior Categories

Category 1: **2 POINTS** Geelong Representative 1st Team, any other VJBL VC teams

Category 2: **1 POINT** Geelong Representative 2nd Team, Bellarine & Corio Rep 1st Teams (unless below happens) Any other 1st Teams

- If a 1st team from another association is graded into VJBL VC then they will be promoted to a Category 1 player
- A cleared player attracts an additional 2 Penalty points
- A loan player attracts an additional 1 Penalty point
- A player cleared to another club becomes home-grown after 2 Consecutive years and attracts NO penalty points
- Each player will be categorised based on the normal representative team. A player who has filled in for a higher level team should not be categorised as a higher level player.

DE-LISTING A PLAYER

Clubs may de-list a player, so that they no longer hold the points for the de-listed player.

Mechanism:

- The club must email Geelong United Basketball with information listing why this player should no longer be included on their points cap.

- The player will be registered as a de-listed player, if the player decides to return to play in Geelong United Basketball competition they must clear to a club and therefore carry the penalty points, this includes the club in which they were de-listed from.

ADVANTAGES OF THE SYSTEM

- Encourages development from within the club. They are not penalised for having strong home-grown players.
- The points cap is not activated or enforced if all players are home-grown.
- Discourages poaching and player movement to already strong clubs. A player moving clubs attracts extra points AND activates the points cap enforcement policies for the receiving club.
- A representative player can easily move to a lower club but it is difficult to move to a higher club. This will have the long term effect of evening out the competition.
- Simple to administer and manage.

ADMINISTRATION AND RESPONSIBILITIES

- GUB to monitor representative player lists and maintain accurate player points ratings
- GUB clearance process to have question relating to Representative teams players
- GUB should be actively informing players when they enquire about playing at Geelong United Basketball of this process
- GUB provides every player granted Loan Player Status with an information pack containing information pertaining to being a Loan Player, including examples of when a Loan Player would need to return to their home club
- GUB to check and verify that a requested clearance will not contravene the points cap for the receiving club within that year of birth.

CLUBS RESPONSIBILITIES

- Clubs to be fully aware of the possible consequences of receiving a representative player from another GUB club.
- Clubs to be aware of their current player points rating and age group totals
- Clubs to notify GUB if any new player has represented another association

Players and parents within the GUB representative program to be informed of the system and its potential restriction of transfers between clubs.

FREQUENTLY ASKED QUESTIONS

How is an individual players point rating determined?

Each player who has played junior representative basketball in the previous 2 years will be assigned a points rating of either 2 points or 1 point. The allocated points are based on their highest level of representation within the previous 2 years.

How is a club's point's cap calculated?

Points for each clubs players (including penalty points) are totaled by YEAR OF BIRTH.

What is the points cap?

The cap is 8 points per club per YEAR OF BIRTH.

When is the points cap activated and enforced?

The points cap is activated and enforced when they are cleared from one GUB club to another. If the inbound clearance or loan would cause the receiving club to exceed the points cap for that year of birth the clearance or loan cannot proceed.

When are penalty points applied?

Penalty points are applied to a player when they are cleared or loaned from one GUB club to another. The penalty is 2 points (clearance) or 1 point (loan) and applies until the player qualifies as home-grown for their new club.

What is the home-grown qualification period?

A player new to GUB competitions becomes home-grown immediately on playing their first game.

A player cleared from one GUB club to another retains their original home club until they have played 2 consecutive years with the new club. At this time their home club changes to the new club. A player on loan always retains their current home club status.

A player does not have a points rating but is cleared from one GUB club to another. Do they attract any penalty points?

No, penalty points only apply to points-rated players.

How does a loan differ from a clearance?

A clearance attracts 2 penalty points, whereas a loan attracts 1 penalty point. However both actions activate the points cap.

Our club has a number of home-grown representative players for a particular year of birth and total points exceed the points cap. How does this affect us?

There is no restriction on home grown players at all. A club just needs to understand they will not be able to accept any new representative players into their club with the same year of birth that they are already exceeding.
